

## Corporate Overview

At SimpliSolve, we use advanced AI solutions to simplify complexity and enhance return of investments, aiming to create lasting change in federal contracting. Our mission “Your AI ROI”.

## How We Can Help?

Our expert team combines industry and academic knowledge to transform complex problems into actionable insights, helping companies make informed decisions. With a track record of serving millions and strong research skills, we solve business challenges using advanced Math, Statistics, ML, AI and GenAI.

## Past Performance

### For Florida Virtual School:

- Won federal contract with Florida Virtual School in collaboration with Tasacom for serving AI Consulting and Development services for Education Sector AI Transformation
- Also providing staffing services for AI, GenAI, and ML experts

### For CapitalOne:

- AI banking chatbot serving 100M+ customers
- Developed Cryptocurrency Trade Bot, Deep Forecasting AL/ML models, DeepFake Audio Detection

### For Tasacom:

- Implemented AI chatbot for handling customer inquiries for a Solar Power Company
- Ethnicity-based product campaign strategies using AI and ML

## Differentiators

- Expertise in AI, GenAI, ML, statistics, mathematics, software engineering, and cloud computing (AWS & Azure)
- Developed enterprise-grade chatbots using multimodal large language models (LLMs)
- Cost-effective access to our four data centers with over 100 Nvidia H100 GPUs for AI workloads
- Collaboration with professors from esteemed universities

## People Strength

We partner with industry experts and many research institutes

## Areas of Expertise

### AI, Data Science and Big Data

- ✓ Forecasting, Predictions, Recommendation Systems with custom ML Model building
- ✓ LLM, Personalized Chatbots and GenAI
- ✓ DeepFake Detection using Deep Learning
- ✓ Research and Development
- ✓ AI Transformation Consulting

### Software Development

- ✓ Custom Software Development
- ✓ Web Application Development
- ✓ Mobile Application Development

### Cloud and DevOps

- ✓ Cloud Security
- ✓ Cloud Migration
- ✓ Serverless
- ✓ Expertise in AWS and Azure

## Our Products

- ✓ Enterprise Chatbot as a Service
- ✓ Trading Bot for Futures and Penny Stock Market
- ✓ Cloud Security Posture Management (CSPM) and Cloud Center of Excellence (COE) tool

## Company Data

**SAM UEI:** L7XFYJRT9HP8

**Cage Code:** 9NQQ0

**DUNS:** 130745488

## NAICS

- 541511** – Custom Programming
- 541715** - Research and Development in the Physical, Engineering, and Life Sciences
- 511210** – Software Publishers
- 518210** – Data Processing Services
- 541512** – Computer Systems Design
- 541519** – Other Computer Services
